REPORT OF BOARDS.

REPORT OF AMERICAN BIBLE SOCIETY BOARD.

To the Bishop and Members of
The Little Rock Annual Conference.

Dear Fathers and Brethren:—

We your Board for the American Bible Society beg to report as follows:—

Through its nine home agencies and twelve foreign agencies, the American Bible Society reports a notable advance in the distribution of Scriptures last year, the total being more than five millions. The total issues of the Society during the 98 years of its activity now reaches the enormous amount of 103,519,891 volumes. During the past five years it has exceeded an output of two and a half million per year. The greatest distribution for any one agency last year was in China where more than a million and a half volumes of Scripture were distributed.

It is a significant fact that Foreign Agencies exceed the Home Agencies in the increase of Bible distribution. The increasing desire for Scriptures among the peoples of Latin-America and non-Christian lands places great responsibility upon the churches of Christendom to provide the needed means for supplying the hungry nations with the Bread of Life.

We were pleased and profited by the presence of the Agency-Secretary of the Southwestern Agency, Rev. J. J. Morgan. He reports as follows for this Agency which includes Texas, Oklahoma, Arkansas and Louisiana:—

90,135 volumes of Scripture were distributed in the Southwest last year. This is a gain of nearly 60 per cent. Thirty-seven languages were represented in this distribution. Seventeen colporteurs traveled 30,267 miles, visited 60,044 homes, and found 17,130 homes without Bibles.

Grants of Scripture amounting to 15,551 volumes were made to destitute and unfortunate of every class. Mission churches and Sunday schools were supplied in great numbers. In Arkansas, 15,000 miners of many nationalities were reached by a colporteur speaking nine languages, and a valuable work was carried on amongst the mountaineers of North Arkansas by T. D. Hall, a local Methodist preacher who died last spring of heart failure. He was one of the Agency's most successful workers, and we mourn his loss.

Your attention is called to the increasing tide of immigration. Again the rate of alien immigrants has passed the million mark. It is estimated that already more than a million immigrants of alien birth are residents of the Southwest and it is expected that the opening of the Panama Canal will multiply this number many times over. At the ports of entry and in the colonies of these foreigners, the Society sends its colporteurs and pioneers the way for church organization.

The fiscal year of the Society ending March 31st, 1914, closed with a deficit of about \$180,000. In addition to this the Society is now facing the distress of the present financial depression due to the European war. And also pressing calls from the Bible Societies

of Europe for aid in furnishing soldiers at the front in the awful European conflict with the Gospel. With these facts before you, your Board urges early and full collections for the American Bible Society this new conference year. By action of our last General Conference, the assessment for the Bible Cause is 2c per member and we recommend that each pastor present it in this manner, preaching a sermon on the Bible and taking the collection separately wherever possible.

REPORT OF BOARD OF CHURCH EXTENSION.

To the Bishop and Members of the Little Rock Annual Conference:
Dear Brethren: We your Board of Church Extension, respectfully submit the following report:

We believe that the interest in the work of Church Extension is increasing among our people. The use of the literature which is sent out by the Parent Board to any pastor or layman on request is full of inspiration and we urge upon the pastors that they use these leaflets in educating the people to a greater appreciation of the work.

It is a matter of great concern to the Board that this year, in the face of the great demand upon us for help, we have been compelled to refuse aid to very worthy enterprises and to grant small amounts to others that deserved greater help. Last year the amount at the disposal of the Board for the Conference aid was \$2,303; this year the amount is only \$1,784.00, being \$519.00 less than last year.

According to the report of the General Board which was before us, The Horace Jewel Loan Fund, consisting of \$200.00, was loaned to Salem Church on July 1, 1912. Amount of interest paid to date, \$8.00. None of the capital has been returned, but the amount of balance available for appropriation, being the difference between existing loans and the present capital, is \$8.00.

During the year Rev. W. W. Nelson, who has been President of the Board for the past two years, made a special effort to raise money for the establishing of another Loan Fund to be known as the Dr. R. N. Ross Conference Church Extension Loan Fund. This was in honor of Dr. Ross of Lonoke. However, up to the present time only \$21.50 has been received on this amount. It is likely that the balance of the amount collected will be forwarded soon to the treasurer of the new Board. Much credit is due Bro. Nelson and the good people of Lonoke in this splendid work of enterprising a new Loan Fund.

In view of the fact that heretofore there has been no provision for permanent records of the building of parsonages and churches within the bounds of the Conference, the Board recommends that hereafter the Presiding Elders be earnestly requested to furnish the Secretary of this Board with a record of all churches and parsonages either begun or completed within the bounds of their Districts during the year.

The amount collected during the year for the cause of Church Extension was \$3,588.00, of which amount only one half, \$1,784.00, is at the disposal of the Board.

The following donations have been made:

BOARD OF EDUCATION—REPORT No. 1.

To the Bishop and Members of the Little Rock Annual Conference:

We, your Board of Education, beg leave to submit the following as report No. 1:

Galloway College.

We received the report of the President of Galloway College and rejoice in the evident progress of that institution. We are glad to note the great progress made in the Musical Department and we are also pleased to note the increase of one member in the Literary Faculty and the addition of a Domestic Science Department to our School for Women. We are likewise glad to receive information that Galloway College is making a special effort to fit young women for active Sunday School work.

Though these improvements have been made, our attention is called to the fact of the hard circumstances under which they come

and the evident need of increased funds to take care of the growing demand made upon this institution. Though the enrollment is slightly in arrears of that of last year, yet everything points so far as work is concerned, to a year of success.

We recommend: First, that the school receive its classification at the hands of the General Board according to the representations which are made at that time by those in authority. Second, that we push the campaign for buildings and endowment, and that the Bishop be requested to appoint Rev. W. C. Watson as Commissioner for Galloway College. Third, that the Board of Trustees be reorganized to conform to the action taken by that Board in its recent June session. Fourth, that the following members—

T. D. Scott, 1 year.

Judge Frank Smith, 1 year.

Forney Hutchinson, 2 years.

Adam Trieschmann, 2 years.

W. C. Watson, 3 years.

Walter Brown, 3 years.

E. R. Steel, 4 years.

L. B. Leigh, 4 years.

J. M. Workman, 5 years.

J. I. Porter, 5 years.

Be elected to serve as indicated and that one clerical and one lay delegate be elected to each succeeding year to fill the vacancy that will regularly occur.

Hendrix College.

We rejoice in the continued prosperity of Hendrix College. The increased attendance in the college department, the vital religious life among the students, the successful closing of the endowment and the summer school for ministers, are messages cheering to a church that has worked so hard to build up a high grade college. They are ample rewards for all of our sacrifices. Indeed, they hearten us to go forward in our efforts to build up at Hendrix a great, well endowed permanent institution of learning, for the law of young life is continuous growth, and Hendrix is merely a youth.

The demands upon the college are heavier today than it can meet.

We rejoice that the General Education Board of New York City has again given substantial evidence of its confidence in the future of Hendrix by offering a conditional donation of \$100,000.00. We most heartily approve and recommend to our people the proposed campaign to be projected by the Trustees for funds amounting to \$400,000.00 to enlarge the plant and to increase the endowment of the college. We hereby authorize the Board of Trustees to lay such plans and to adopt such measures as they deem wise in order to lay the case on the hearts and consciences of our people in all departments of the entire church in Arkansas.

We are also happy to note the purpose of the college to set aside out of the funds to be realized from said campaign a sum sufficient to endow a department of Bible and Religious Education in Hendrix College, and we authorize the Board of Trustees to adopt such plans as may be necessary to realize such a sum. We also heartily approve of the selection of Dr. James Thomas to head the campaign.

We further recommend Hendrix College to the General Conference Board of Education for "A" grade Classification.

Moreover we endorse the summer school for ministers conducted at Hendrix in last June and recommend that it be made permanent, that it be conducted according to the plans recommended by the presiding elders, and that for the support of said school this conference levy an assessment of \$500.00 as a part of its educational collection.

We recommend the election of the following Trustees for Hendrix College for the term indicated, the same having been nominated by the Board:

Trustees of the Little Rock Conference.

Dr. James, Thomas, 6 years.
Adam Trieschmann, 6 years.
Rev. T. D. Scott, 5 years.
Rev. Forney Hutchinson, 4 years.
James Buchanan, 4 years.
C. E. Hays, 3 years.
Rev. P. C. Fletcher, 2 years.
Hon. George W. Donaghey, 2 years.
Rev. R. W. McKay, 1 year.

Alumni Trustee.

J. G. Frasier, 6 years.

BOARD OF EDUCATION—REPORT No. 2.

Stuttgart Training School.

We learn that very early in the year, 1914, this school was compelled, by reason of insufficient patronage, to close its doors. The Trustees have not thought it wise to make any effort to reopen the institution, and, they now ask this Board to recommend such action to the Annual Conference as will enable them to dispose of the property and close up all the affairs of the school.

After carefully considering all of the circumstances, your Board of Education concurs in the judgment of the local Trustees. We, therefore, offer the following for your consideration, and ask the adoption of the same:

Resolved:

First: That the Board of Trustees of the Stuttgart Training School be, and they are hereby authorized and empowered to sell the buildings, grounds and equipment of the said school, within three months, from Dec. 1, 1914, at Public Sale. Such sale to be made for such consideration and on such terms and conditions as the said Board of Trustees may approve.

Second: That all funds derived from the sale of the property of the school shall be applied by the Trustees to the payment of the indebtedness, which may be outstanding against the school. Such payment to be made according to the plan hereinafter provided. If any part of the funds derived from the sale of the said property shall remain after all outstanding debts of the school have been paid, the funds so remaining shall be used by the Trustees for the benefit of the local church, under the direction of the Quarterly Conference of Stuttgart Station.

Third: That R. E. Hold be appointed to act as Referee in the matter of all claims against the school. His duties shall be to carefully and judicially examine all claims, which may be presented to him against the school, and shall allow all claims, which, in his judgment, are justly entitled to be paid. If the amount received by the Trustees from the sale of the property of the school is not sufficient to pay all claims thus allowed, payment shall be made to each creditor on a pro rata basis.

The Referee shall be paid by the Trustees such compensation, as may have been agreed upon, for his services, such payment to be made out of the funds derived from the sale of the property before any other claims are pro rated or paid.

If one or more of the creditors of the school shall refuse to accept the findings of the Referee above provided for, then all the parties may seek to have their claims allowed before some court of competent civil jurisdiction. In such case the Trustee shall hold the money derived from the sale of the property until all matters have been adjudicated and ordered paid by the court.

Department of Ministerial Supply and Training.

We have given careful attention to the communication from the Department of Ministerial Supply and Training, and are glad to note the increasing usefulness of the Department. The number of candidates for admission on trial into the traveling connection is increasing all over the church in a gratifying way. We have every reason to believe that the earnest efforts of this department during the past four years, have aided greatly in bringing about this happy result.

We commend to our undergraduates the Correspondence School, and urge strongly upon them the importance of securing its aid in pursuing their conference studies.

The Department has been moved from Nashville, to Atlanta, and in the future the correspondence courses will be conducted there, aided by the Theological Faculty of the new University. Dr. R. H. Bennett has been elected Secretary of the Department to succeed Prof. J. L. Cunningham, his address being Atlanta, Georgia.

"Special Educational Commission."

Your Board has given careful attention to the communication from the Special Educational Commission; and has heard with pleasure Dr. A. J. Lamar, the personal representative of the Commission, and has heard with pleasure Dr. R. S. Hyer, president of Southern Methodist University. We rejoice at the good beginning made by the Commission in its efforts to establish two Institutions of University Grade—one East of the Mississippi River, and one West. We are in hearty accord with the expressed purpose of the Commission to establish for the use of the Church West of the Mississippi River, at Dallas, Texas, in connection with Southern Methodist University, a theological school of co-ordinate rank with the theological school established at Atlanta, Georgia, and to be owned and controlled by the General Conference. We, therefore, recommend, as soon as the proposed arrangements for General Conference ownership and control shall have been completed by the Special Educational Commission and the Patronizing Confer-

ences of Southern Methodist University; and as soon as said theological school at Dallas shall have been organized and opened for students:

1. That we commend to our young preachers seeking theological education, the Seminary at Dallas, Texas: and, we also commend this Seminary to the liberality of those among us, who desire to make contributions towards the maintenance of theological education.

2. That, after the pressing financial demands of our own colleges have been, in the judgment of this Conference, relieved, we cordially invite the authorities of Southern Methodist University to solicit funds from within the bounds of our Conference, for the maintenance of the theological seminary at Dallas.

"Vanderbilt Matter."

We have given careful consideration to the action of the General Conference, held at Oklahoma City, May 1914, relative to the Vanderbilt Matter, and have given special attention to the advice of said Conference to the former patronizing Conferences of Vanderbilt University, to-wit: that each patronizing Conference appoint a commissioner to act in conjunction with the Special Educational Commission in transferring all rights, titles, etc., of the General Conference in said University to the Patronizing Conference etc.: therefore, we recommend:

1. That Stonewall Anderson be appointed the Commissioner requested by the General Conference from the Little Rock Annual Conference.

2. That A. O. Evans and Forney Hutchinson be appointed advisors of said Commissioner.

3. That said Commissioner with his Advisors have full power to act for the Little Rock Conference.

Henderson-Browne College.

Careful attention has been given to the report of Henderson-Browne College, the salient facts of which are as follows:

The main building of the College was destroyed by fire February 3rd, 1914. Temporary buildings were improvised immediately, only one day being lost from regular school work, and only six students left on account of the fire.

In spite of the difficulties experienced, the President reports last year one of the best in the history of the school; and the present session as very satisfactory indeed.

The trustees have erected upon the site of the old, one new building (166x112) one hundred and sixty-six by one hundred and twelve feet, and three stories high, a better building in every way than the one destroyed, and which will be ready for occupancy after the Christmas holidays.

The new building completed and furnished will cost \$71,700.00. The resources in the hands of the Board of Trustees with which to cover the cost of the building are as follows:

1. The amount of insurance collected on the burnt building was \$41,500.00, all consumed on the debts of the college.

2. Subscriptions by the citizens of Arkadelphia.....\$10,000
3. Subscriptions secured by the President of the College outside of Arkadelphia..... 15,000
4. Realized from Summer campaign..... 1,801

TOTAL.....\$56,801

Of the above amount the sum of \$20,274.38 has been collected and paid out on the new building, leaving a balance unpaid of \$51,425.62. To cover this debt the Board of Trustees has in hand \$36,526.62 unpaid subscriptions, leaving a balance of the debt for rebuilding unprovided for of \$36,526.62. To secure resources to cover this amount is the most pressing need of the College at the moment.

WE RECOMMEND:

1. That the Conference through the presiding elders and pastors seek to secure, at an early date, an average of \$1.00 per member of the entire membership of their several districts and charges with which to liquidate the debt on the new building.
2. That a Commissioner of Education be appointed for the College for the ensuing year, to be selected by the Board of Trustees and appointed by the Bishop.
3. That the College be recommended to the General Conference Board of Education for such classification as it is entitled to under the new standards at the time of classification.
4. That Virgil M. Davis be elected a Trustee of the College to take the place of Robert C. Buchanan; and that C. C. Henderson, J. A. Parker, J. C. Rhodes, W. M. Hays, and Walter Brown be elected to succeed themselves as trustees.

Additional Recommendations.

1. That we endorse the proposed Conference composed of the Conference Secretaries of Education of the entire Church and authorize the treasurer to the Board of Education to defray the expenses of our Conference Secretary to the same.
2. That the Conference Secretary of Education be authorized to act for the Conference Board of Education in aiding to classify our institutions of learning.
3. That we commend the matter of the religious instruction and development of Methodist youths in state institutions of higher learning and in high schools to the careful attention of the new Board of Education with a view of aiding in the preparation of agencies for the religious instruction and nurture of such students. We call attention specially to the movement begun in several states and in at least one town of our state, to wit: offering credits toward graduation for work done in the Bible in the high school by high school authorities. If we mistake not this movement offers an opportunity for our Sunday schools to influence for good profoundly state secondary education.
4. That we commend to our preachers and people the abundant and helpful educational literature published by the General Conference Board of Education. This literature may be secured free of cost by application to the office of the Board, 810 Broadway, Nashville, Tenn.

5. That we commend to the consideration of our preachers and people the efforts of the General Conference Board of Education to increase its annual income by securing an endowment, during the quadrennium, of \$500,000.00.

6. That Rev. W. C. Davidson be appointed Conference Secretary of Education.

7. That Rev. C. J. Greene be appointed professor in Hendrix College; Rev. C. S. Rennison be appointed student in University of Chicago; Rev. George H. Crowell be appointed president of Henderson-Browne College; Rev. R. C. Rhodes, professor in Henderson-Browne College.

8. That the following assessment be made for the ensuing year:

General Conference	\$2,185.00
Hendrix College	1,500.00
Henderson-Browne	1,500.00
Galloway College	1,000.00

TOTAL.....\$6,785.00

Apportioned to the several districts as follows:

REPORT OF CONFERENCE BOARD OF LAY ACTIVITIES.

To the Bishop and Members of the Little Rock Conference:

Your Board of Lay Activities would respectfully submit the following report:

This being the first meeting of the Board under the new administration, we met and organized with J. H. Waters, Conference Lay Leader, Presiding, and J. O. A. Bush, Secretary pro-tem, for this meeting.

The Board consists of the following members to-wit:

J. H. Waters, J. S. Steel, C. H. Rhoads, J. O. Blakeney, J. F. Titus, J. S. Utney and J. O. A. Bush, a majority of whom were present.

We feel profoundly impressed that the laymen's missionary movement was called into existence by the supreme needs of the hour and in obedience to God's will, and that it can never attain to that degree of usefulness, for which it was designed, unless it can have the co-operation and enthusiastic support of the Presiding Elders and Pastors.

We, therefore, urge upon the various Presiding Elders the importance of giving their attention and assistance to the District Lay Leaders and giving the work a prominent place in the administration of the affairs of the church, and, we also urge upon the Pastors, the importance of an educational campaign among the members of the church by the distribution of literature and assisting the church leader in organizing and establishing the Committee of Lay Activities in each Church.

At the request of Dr. Reid, we would again request the Presiding Elders to so arrange the dates of the various District Conferences that they may not conflict with each other, and that he may have an opportunity of attending the same for the better promotion and organization of the Laymen's Missionary Movement in this Conference.

We recommend Brother J. H. Waters of Camden, Arkansas, for re-election as Conference Lay Leader.

Respectfully submitted by the Committee,
J. O. A. BUSH, Secretary.

THE EPWORTH LEAGUE REPORT.

To the Bishop and Members of the Little Rock Conference:

We, your Epworth League Board, respectfully submit the following report:

We assert with renewed emphasis the function of the Epworth League as the organ of fellowship of young Christians, having its analogies to the primitive class meeting, but adding to these the means of meeting the complex needs of the youth of the Church for healthful recreation, social culture, and manifold activities under the safeguards and direction of religion, and for the training of young Christians in a life of service and loyalty to the Church.

The prospects of the Epworth League for a quadrennium of growth and achievement are bright. The recent General Conference by granting a new constitution and a better financial system increased the facilities of the department, and by adding to the official staff an Assistant Secretary and a Junior League Secretary greatly augmented the force for directing and cultivating the magnificent field committed to the League.

With great pleasure, we note the presence of Dr. Fitzgerald S. Parker of the Central Office, who rendered us valuable assistance by his presence and suggestions, and also in delivering his inspiring and helpful address.

We congratulate the Conference Organization for its excellent work, in the enthusiastic and Educational Conference held in Pine Bluff; in the money raised for Cedar Glades Mission; in sending Mr. C. C. Arnold as a Delegate to the Junaluska Conference; and Miss Clara Loyd to the International Conference at Buffalo. We note with interest the placards in evidence at this conference, calling attention to the needs of Cedar Glades and the African Missions.

We had a communication from Dr. J. H. Reynolds, President of Hendrix, asking support in establishing a chair of religious pedagogy. In this enterprise, we are devoutly interested, but feel that our present obligations to Cedar Glades and the Congo Missions are all that we can meet.

We desire to emphasize the following features of League work for the coming year, which we believe merit hearty support by all League Workers.

First—That each District be organized into a District League, and an Epworth League Institute be held in each District of the Little Rock conference.

Second—In view of the large success of the Cedar Glades Mission, Rev. J. H. McKelvey, pastor, we urge every local Chapter to give it hearty support. We also recommend that every effort be put forth to raise as large a fund as possible for the Congo Mission, which the whole League is pledged to support.

Third—Literature from the Central Office, gives information that thirty annual Epworth League Conferences were held the past year, resulting in many volunteers to special Christian service;

also, we note in our own Conferences, where local chapters have representatives at League Conferences, there is added interest and more efficient service. We, therefore, urge upon all our League Chapters to send delegates to the Epworth League Conference next year, which meets at the thriving little city of Hope.

Fourth—By law of the church, which is found in Paragraph 290 of the Discipline, the second Sunday of May has been set aside as Anniversary Day. An inspiring program is to be had and the Day should become as much a part of the Church Calendar as "Children's Day." The offering is to be sent to the Treasurer of the Conference Epworth League Board and the amount equally divided between the extension work of the Conference and of the Central Office.

Fifth—It is plain that the future growth of the Epworth League depends upon training the boys and girls of tender years. We, therefore, bespeak for our Junior Superintendent, Mrs. Joe Goetz, the prompt and sincere co-operation of every pastor and leader. We beg to call attention to the fact that the Central Office Staff at Nashville has a Junior League Superintendent for the whole church. Miss Ada Trawick, who will be ready at any and all times to render such assistance as may be needed.

Sixth—Under sanction of the General Conference our boys' organization, the Knights of Ezelah, takes its place among the authorized activities of the church. A parallel society for girls of the intermediate age has also been authorized by the General Conference. These societies are designed to supplement the work of the Sunday school by providing for the interests of the adolescent boys and girls, who are lost to the church in numbers so appalling, and we urge upon pastors and Sunday school workers their examination and adoption.

Seventh—The Epworth Era in its new magazine form, is proving an invaluable asset to the Chapters throughout the church. We commend the devotional department and the League at work department especially as containing practical help and inspiration, not only for the young people, but for our pastors.

Respectfully submitted,

B. B. THOMAS, President,
J. B. SIMMS, Secretary.

BOARD OF MISSIONS.

To the Bishop and Members of the Little Rock Conference:

Dear Brethren:

We, your Board of Missions, beg leave to report as follows:

In closing our quadrennium, we desire to express our profound appreciation for your sympathy, co-operation and the confidence you have imposed in us, and also for the hearty commendation we have had from the parent board by letter and by word of mouth from its representative. While some good progress has been made, we are frank to confess that few of our ideals have been reached. Let us express the earnest hope that your new board will be able to do much greater things than we have done.

We have had under consideration all the missions in our bounds. We have been able to give only a part of what they sorely

need, but this little help has given good returns in most cases, and where no progress is apparent we have been able to hold our own, with the hope that the day of development will yet come. Our Cedar Glades Mission, in which we have had good results from the start, is still maintained by our Epworth League Conference, but it will receive an appropriation from this Board next year to help support a Junior Preacher. The Board has been embarrassed occasionally for want of prompt support of our representative in that Mission. It is to be hoped that this will not occur in the future.

The regular annual deficit on our missionary assessments makes it impossible for the board to render anything like adequate help to our needy territory. This has been, not only a matter of deep concern to the Board, but has greatly hindered our faithful and progressive Presiding Elders, from planning the occupancy of new fields, and a more intensive cultivation of territory already occupied. They have joined with us in trying to make our insufficient funds go as far as possible towards compassing our most needy fields.

Dr. C. F. Reid of the parent board was before us with an illuminating and inspiring address. He also spoke at the anniversary of the Board on Thursday night. Dr. Reid has a world wide knowledge of Missions, and he sounded a note of progress that carried conviction and inspiration to those who heard him.

We face larger appropriations for the present quadrennium, yet our great church must not fail to do her duty in this our day of progress. We must go forward with the fixed purpose to secure full assessments.

We suggest the holding of that, which is the equivalent of a mid-year meeting of the Board, the Presiding Elders, and the Lay Leaders early in January, using some representative of the Parent Board and other Missionary experts, in order to plan early and wisely to secure the best results.

That during the first week in March, we put on the Every Member Campaign throughout the entire Conference.

That we try to have our District Conferences follow each other in a row, so that we may use some representative of the Parent Board and other experts to represent the great cause of Missions with the least expenditure of time and money.

That every pastor take his collection for missions early in the year, and forward it to the Conference Treasurer at once.

That we endorse, encourage and co-operate with the Trustees of Hendrix College in the effort to endow a chair of religious education.

We request the Bishop to appoint Forney Hutchinson Conference Missionary Secretary.

The total amount turned over to the Board for distribution in our Conference was \$3,600.00. It has been apportioned as follows:

ORPHANAGE REPORT.

We, your Committee on Methodist Orphanage, respectfully report that we are much gratified with the good management by our present Board of Trustees, and we herewith submit report of the orphanage as follows:

"The past year has been one of the most satisfactory in the history of our work in the Orphanage. We had some serious sickness, but no death during the year. The sickness was confined largely to the new children coming into the Home.

At the close of the fiscal year, September 30th, 1913, we had in the Home, 36 children. We received from September 30th, 1913, to September 30th, 1914, 22 children and placed 24 in homes, leaving 34 in the home. This is the largest number of children that we have ever placed in any one year. We have placed all told 201. If we had kept them all in the Orphanage, under the old Orphan's Home plan, we would now have 235.

The experience of each added year proves the wisdom of placing children in good homes instead of trying to keep them together in the Orphanage. We could have placed more children, if we had been less exacting as to the character of the homes, for we rejected 31 applications.

Brother Thornburg received special contributions to the amount of \$939.58, which was spent on the building and grounds. He has raised a total of \$33,834.86, of which approximately \$31,000 has been expended on the building and grounds and the remainder for furnishings.

The current expenses amounted to \$4,670.84. The Conferences are supposed to raise the entire amount necessary for current expenses. Last year the Arkansas Conference raised \$666.55, the White River, \$948.00 and the Little Rock \$2,157.15, total \$3,771.70, which was \$899.14 less than the current expenses. We hope the showing will be better this year."

Your committee is informed further that there is only one salaried officer with the Orphanage, that is the matron who receives \$50.00 a month.

We heartily commend Brother Thornburg for his work, and are grateful for the large amount of money he has raised and paid on the building and grounds, for which he has refused compensation.

We urge that every congregation throughout the Conference, observe one Sunday in each year as Orphanage Day, as heretofore provided by Resolution of this Conference.

The assessment assumed by this Conference is \$2 500, which we have distributed to the Districts as follows:

Arkadelphia District	\$315.00
Camden District	380.00
Little Rock District.....	482.00
Monticello District	375.00
Pine Bluff District.....	355 00
Prescott District	284.00
Texarkana District	309.00

Respectfully,

R. A. McCLINTOCK, Chairman.
F. P. DOAK, Secretary.

SUNDAY SCHOOL BOARD.

To the Bishop and Members of the Little Rock Annual Conference:
Dear Brethren:

Your Sunday School Board respectfully submit their report as follows:

There has been a gradual toning up in efficiency which cannot be reported in figures. The growth in the Children's day work and collections has been steady. Beginning with 1911 your Children's Day collection was \$457. In 1912 the collection was \$700. In 1913 the collection increased to \$930, and for this year you report \$705. We are glad to report such an improvement in sentiment for aggressive Sunday school work that long delayed legislation was given at the recent General Conference which will enable your Board for the next quadriennium to take a forward step in the matter of constructive work under, we trust, a field secretary. We think the time is here for the employing of such a worker to give his entire time to this work. We rejoice in the possibility, under our new law, of having strong men to lead us out in the way we need to go. Our future is bright. Realizing that this has been brought about by the careful consideration of our work at the annual meeting of the chairmen and field secretaries, we recommend that your chairman be sent by your Board to the meeting at Juna-luska next summer. We are requested by our General Board to urge this that he may keep in touch, at this time, with the new movements which promise so much to our work.

In the event of a field secretary being employed we invite your cordial reception of him and assistance in his work.

We have ordered a missionary program mailed at our expense to each pastor and superintendent for this year. The new law makes clear the work of the school in missionary activities.

We are delighted with the presence of Dr. Chas. D. Bulla of our Central Office whose presence has been so helpful to us.

That our educational institutions are coming to our help is evidenced by their making provision for the training of the student body for efficient service in the Sunday school as teachers and officers.

We are urged to these forward movements by our sister denominations which have many paid field workers in their Sunday school work. We must train our own if we are to hold our own.

Respectfully submitted,

P. C. FLETCHER, Chairman,
J. M. WORKMAN, Secretary.

REPORT OF COMMITTEE ON PUBLICATION.

Your Committee on the expense of preparing and publishing the minutes of the Conference respectfully report as follows:

1. We estimate the amount necessary for the preparation and publication of the minutes to be five hundred dollars, to be disbursed as follows:

- | | |
|---|----------|
| (a) For Stenographers | \$ 25.00 |
| (b) Expenses of Editor and Publisher and Committee on Publication | 75.00 |
| (c) For printing and mailing minutes..... | 400 |

2. That the amounts be assessed against the several Boards as follows:

Board of Missions.....	\$200.00
Joint Board	100.00
Church Extension	100.00
Board of Federation	100.00
	<hr/>
	\$500.00

3. That space be sold to advertisers who represent business belonging to or related to our church, and whatever surplus there may be above the necessary expense of preparing, publishing and sending out the minutes, be turned into the treasury for the following year.

B. A. FEW, Chairman.

REPORT OF THE CONFERENCE HISTORY COMMISSION.

The Conference History Commission composed of J. E. Godbey, Stonewall Anderson, C. J. Greene, and Forney Hutchinson was appointed in 1908 to collect and preserve the Conference Documents. The Commission was authorized to fill its own vacancies and to report its work quadrennially to the session of the Conference next following the meeting of the General Conference.

The Commission has on file in Hendrix College library six volumes of the Conference Journal, covering the period from 1874 to 1897, two volumes of Conference statistical tables, and two volumes of the Little Rock District Conference Journals covering the period from 1896 to 1897. The Conference Journals from 1897 to 1905 has not been found. We have also a bound volume of Conference Minutes from 1858 to 1865 inclusive.

We have appointed W. P. Whaley to take the place on the Commission of J. E. Godbey who has been removed from the Conference by transfer.

We recommend that the Committee on Publishing the Conference Journal and Minutes be authorized to furnish to the Conference History Commission, the money to secure whatever Conference documents the Chairmen of the two committees may consider of sufficient historic value to justify the expense required.

STONEWALL ANDERSON, Chairman,
W. P. WHALEY, Secretary.

C. J. GREENE, Custodian of Documents.

REPORT OF DISTRICT CONFERENCE JOURNALS.

We find most of the Journals in good condition. Only one adverse criticism would we offer on the Arkadelphia District and that is that there is not quite enough marginal space on the right of the pages.

The Prescott Journal is neat and well kept.

The Camden Journal lacks a little in neatness. Several lines are crossed out and writing appears in the spaces between, and an occasional blotch is seen.

Little Rock Journal is very well kept with the exception that there is a lack of marginal space at the right, and it is poorly punctuated.

Pine Bluff is very neatly kept, with marginal notes.

Texarkana Journal has been fairly well kept. Improvement might be made in penmanship, paragraphing and punctuation. And there are no marginal notes.

The Monticello Journal was not before us.

On the whole the Journals have been well cared for.

We would recommend and urge, however, that for neatness and convenience the secretaries would see that the marginal notes appear.

J. B. SIMS, Chairman.

W. T. MENARD, Secretary.

REPORT OF COMMITTEE ON PUBLISHING INTERESTS.

We, your Committee on Publishing Interests, beg leave to submit the following report:

We commend the enterprise of our Publishing Agents in furnishing to our people the very best books to be had from any and all sources. At the same time, we should like to see among the exhibits made at our Annual Conferences, a larger percentage of our own Publishing House products.

We find our Methodist Review a quarterly of very high grade, and heartily commend it to all of our preachers, and, to such of our laymen as appreciate a literature of high order.

The Christian Advocate should have a far greater circulation than it has, and we would respectfully urge all of our preachers to strive to place it in the homes of, at least, all our official laymen.

We find the Missionary Voice, the Epworth Era, and all of our Sunday School Publications very satisfactory, and recommend that they be given the widest possible circulation.

The Editors of the Western Methodist have come before us and represented their work. The present financial depression has greatly crippled the paper, and forced it into temporary retrenchments, which has caused some dissatisfaction; but, which were unavoidable, in view of all circumstances.

Regardless of the question of what action may finally be taken by the Committee appointed by this Conference to deal with the Western Methodist, it is our conviction that the Church in Arkansas needs the paper; and we know that the paper needs money.

We, therefore, make the following recommendations:

First: That all of our preachers co-operate with the Editors and Managers in trying to secure the prompt payment of subscriptions now due the paper.

Second: That we continue to press the campaign for wider circulation.

Third: That we recommend the election of Rev. J. W. Harrell and Rev. B. A. Few as our representatives on the Editorial Committee.

Signed:

A. M. SHAW, Chairman.

W. A. STEEL, Secretary.

REPORT OF TEMPERANCE COMMITTEE.

Your Committee on Temperance respectfully report as follows:

We have reason to be thankful for the conditions that exist, not only in this State, but throughout the civilized world, in regard to the liquor traffic.

Only a few years ago, the power of the saloon throughout the country was such as to dominate politics, control society, and intimidate voters, but this is changing.

In our own beloved state, the progress has been most gratifying. Ten years ago, out of seventy-five counties, sixty of them were what we call "wet," that is they allowed saloons. Today in only six counties do saloons exist. And under the act which places the burden where it belongs, upon the saloon keeper, the time is near at hand when not a single spot in Arkansas will be disgraced by the licensed traffic.

In the United States more than fifty per cent of the population and three quarters of the territory are under prohibition, and beyond the boundary of our own country, the conditions are remarkable. Some of the smaller countries under peaceful conditions have declared for prohibition. The unparalleled war in the most civilized countries of Europe, may, in the providence of God, be turned to his glory and to the good of humanity.

England has forbidden the use of intoxicants in its army, and the King has asked the people to show their sympathy for the enforcement of such a regulation, by abstaining themselves from the use of intoxicants.

France has declared that only a sober soldiery can meet the demands of that Republic in this great crisis.

Germany, supposed to be the center of the beer industry and beer drinking, has, by the example of the Emperor and by his mandate, become practically a prohibition empire.

And in Russia, by one stroke of the pen of a mighty Emperor, intoxicants have not only been forbidden in the armies, but the traffic throughout the Empire has been abolished.

Millions of men will fall upon the battle field, millions of wives will become widows, and millions of orphans will cry, as the result of this bloody war, and yet, and yet, more men have been slain, more widows made to weep and more orphans to cry by the liquor traffic than will be by the European war. And it may be that God in his providence has permitted this awful condition for the abolition of the two great curses, militaryism and the liquor traffic.

It ought to rejoice the heart of every American to know that the day has come when a Christian President of the United States and his Christian Cabinet have abolished intoxicants from their private and state dinners, when the army canteen is no more, when the U. S. Navy is as dry as a Methodist Conference, and when those in authority, from the President down through the Cabinet, and into the Governor's office of Arkansas, and into the Mayor's office of its capitol city, the men who occupy these positions, stand for prohibition and have the courage to appear upon the platform to speak in its interests.

Only a few years ago, one would have subjected himself to ridicule if he had advocated state-wide prohibition, but today fourteen states are wholly dry by constitutional or legislative enact-

ments, others are near dry, and even Kentucky, formerly one of the centers of the distilling interests, has just elected an avowed Prohibitionist to the United States Senate; and a constitutional amendment is likely to be submitted, whereby this country shall become a saloonless nation.

Leading fraternal organizations are placing their seal of condemnation upon the liquor traffic.

High class magazines and leading daily papers are refusing to give place in their columns to liquor advertisements. Not only so, but many are turning their powerful batteries to the destruction of the business.

Rum is on the run, but it is still full of fight. It abandons its position only after the most stubborn resistance. Commercialism is the most characteristic disease of the American people. Political campaigns are largely waged and won on questions of trade. The liquor dealers understand this and they have made it one of their contentions that the liquor traffic produces revenue, provides public improvements, supports the public schools and makes business. This contention is becoming an insult to the intelligence of the American voters. The liquor dealers in this country are aroused as they have never been. They are placing their interests in the hands of the shrewdest experts that money can buy. They are advertising largely. Wherever the columns of a leading paper are for sale, they buy them, and be it said to the shame of some otherwise good papers, that they have allowed their columns to be disgraced by the most shameful pictorial advertisements of women encouraging men to drink, of young women offering beer to their male friends.

One of the arguments of the liquorites is that prohibition does not prohibit. They know this is not true. The efforts of the Churches and the Anti-Saloon League have been to wipe out the legalized saloon. That it has done this in sixty-nine counties, in Arkansas, none will deny. That liquor is sold here and there, unlawfully, is not more surprising than that murder, robbery and other crimes are committed.

One of the once popular arguments against prohibition is that it destroys local option or the right of each community to decide for itself. We have passed the local option stage. The man who is now for local option was against it when we were for it. Every liquor dealer in this state, now stands for local option and that stands for the saloon. The fact is that local option is no longer local option. If Little Rock, Pine Bluff and other liquor centers were honestly for local option, they would not sell liquor in dry territory, but they not only sell it, but advertise for business from prohibition territory so that it becomes necessary for the dry sections to drive the traffic from the wet places in order to protect themselves from debauchery.

What we want in Arkansas now is a public sentiment that will demand of every official a thorough enforcement of the law. The making and strengthening of public sentiment depends largely upon the Church. The Anti-Saloon League is a great leader, but it is only a combination of other forces, the strength of which is the church, through its faithful and courageous ministry. The liquor dealers fear the Church as they do no other influence, and they use every effort to keep the church out of the prohibition fight.

They say it is a political issue and the church must not enter into it. With thinly veneered hypocrisy they pretend to care for the reputation of the church while at heart they hate it. No power of evil, not even the gates of hell, can long withstand the continued, well directed onslaught of the church. The church cannot turn this problem over to any political party. It is not the province of a political party to inaugurate strictly moral issues. That belongs to the church. In a government like ours, which is ruled by parties, it is the duty of the party in power to crystalize into law the moral issues created by the Church, and then enforce those laws. Political parties are opportune and will discard a policy or adopt a new one, when, in the judgment of its leaders, such discarding or adopting will make votes for the party. But the church will march squarely up to a proposition and meet defeat again and again until the question is settled according to the Ten Commandments and the Sermon on the Mount.

From now until God places the crown of success upon our efforts, let us sound from every pulpit and platform, from every hamlet, home and heart, the slogan of State-wide, Nation-wide and World-wide prohibition.

We recommend the adoption of the following resolutions:

First. That we reaffirm our relentless opposition to the liquor traffic and favor its abolition in Arkansas, in the United States, and in the uttermost ends of the earth.

Second. That we renew our endorsement of the Anti-Saloon League and recommend that George Thornburgh, Frank Barrett, B. A. Few, W. C. Davidson, J. I. Porter, J. O. Bush, and J. L. DeLoney, be our representatives in the State League.

Third. That we call attention of our preachers and people to paragraph 223 in our Discipline which forbids the signing of petitions for the sale of liquor.

I. W. HOLMES,

REPORT OF COMMITTEE ON WESTERN METHODIST.

The Committee on Western Methodist, appointed by this Conference to consider certain matters relative to the paper, beg to offer the following resolution:

Resolved: That James Thomas, George Thornburgh and T. D. Scott be appointed a Commission to confer with a like Commission, appointed by the North Arkansas Conference at its recent session, to look into the question of the two conferences taking over the ownership of the Western Methodist, provided that this conference be in no wise involved in any liability.

J. H. WATERS,
W. A. STEEL,
W. C. DAVIDSON,
T. D. SCOTT,
Z. W. LINDSEY,
J. W. HARRELL,
T. O. OWEN.

RESOLUTION.

Whereas, the members of this Conference desire that our statistical tables shall be reliable; and

Whereas, the accuracy of these tables depends upon the carefulness of all our pastors and presiding elders as well as upon that of the statistical secretaries; therefore,

Resolved; 1. That it shall be the duty of each presiding elder to furnish to the secretary of the Conference a certified copy of all the assessments on each pastorate in his district as soon as they are all made.

2. That each pastor be required to attach the Conference Treasurer's receipt to the financial report that he turns over to the statistical secretary.

3. That presiding elders be requested to set apart one hour at the district conferences for exhibiting the proper method of making annual conference reports.

4. That W. P. Whaley and Marion S. Monk be appointed to audit the Conference Treasurer's books in order to ascertain the source of discrepancy between the Treasurer's report and the Statistical Secretaries' report; and that they be furnished with the pastors' reports, and authorized to employ an accountant to assist them, if necessary.

J. A. SAGE,
FORNEY HUTCHINSON.

RESOLUTIONS OF APPRECIATION.

Be it resolved:

1. That we express our appreciation of the efficient, courteous and considerate manner in which Bishop Morrison has presided over this conference; and that we very much hope in the Provi-

dence of God he may be returned to us at our next annual session

2. That we extend our thanks to the conference host, Dr. W. R. Richardson; to the pastors and churches of our sister denominations for the courtesies they have extended in the use of their pulpits; to the Arkansas Gazette and the Arkansas Democrat for their reports of the sessions; to the good people who have so graciously entertained this body.

RESOLUTION.

Whereas our quadrennial reports provide only one blank for both Conference Claimants and Superannuate Endowment Fund,

Resolved: That our Conference order an assessment of eleven per cent of preachers' salary for both claims, money collected to be distributed as follows by joint Board:

Ten per cent for Conference Claimants,

One per cent for Superannuate Endowments Fund.

This assessment to take the place of former assessment for these objects.

**A TRIBUTE TO THE MEMORY OF REV. M. W.
MANVILLE.**

Mathew Williams Manville was born in the Dominion of Canada April the 30th, 1843. He grew to manhood; was married; settled in business and spent the major portion of his life in his native land, but as those who will read this memoir are chiefly interested in that portion of his life which was lived among us, we have not taken the pains to gather any further information concerning his early history.

Having lost his first wife he was married to Miss Caroline Strong of Rogers Park, Ill., July 26, 1882. Three children were born to this union, two of whom died in early life. The third, a son, now some sixteen years of age, lives to perpetuate his father's name and to be the chief earthly source of comfort and support for his widowed mother.

About the year 1885, Bro. Manville came to Arkansas and settled near the town of Alexander. He identified himself fully with the life of his adopted state and nation and became a loyal and patriotic citizen.

During the first few years of his residence in Arkansas he was employed as editor of the agricultural department of the Arkansas Gazette. He was an expert in the matter of scientific farming and was enthusiastically in love with his profession. The law creating the present Bureau of Mines, Manufactures and Agriculture was drafted under his oversight, and he was chiefly instrumental in securing its adoption by the legislature.

But God had more important work for him to do and he came out of the shadow of a great sorrow, caused by the death of a much loved child, with a renewed and deepened spiritual life and with a clear call to the work of the gospel ministry ringing through every avenue of his soul. To heed that call meant to give up congenial employment, a lucrative salary and a little farm that had become the joy and pride of his life. But he "was not disobedient to the Heavenly vision" and after receiving advice and encouragement from his heroic and consecrated wife he laid his life upon the altar of the church for the work to which he was assured he had been divinely called.

He was licensed to preach by the quarterly conference of Collegeville Circuit, June 28, 1889; Ezekiel N. Watson being the Presiding Elder and W. H. Scott the Secretary. He was admitted on trial in the Little Rock Conference at the session of 1891; was ordained deacon by Bishop Wilson at Magnolia, Ark., December 11, 1892, and elder by Bishop Haygood at Lonoke December 9, 1895.

He served Benton station as a supply during the year preceding his admission on trial into the traveling connection and was reappointed to that charge for two con-

secutive years; from Benton he was sent to Lonoke, where he remained three years; from there to DeValls Bluff, where he served two years; then to DeQueen, where he remained four years and did a monumental work. At the close of his quadrennium in DeQueen he was appointed to Malvern Avenue, Hot Springs, where after one year of service he asked for and received a transfer to the New Mexico Conference and was appointed to Albuquerque station. Finding that the climate of New Mexico did not prove beneficial to Sister Manville, for whose sake the change had been made, he returned to the Little Rock Conference and was again appointed to Malvern Avenue, Hot Springs, where he remained for four years. From that charge he was appointed to Carr Memorial, Pine Bluff, which he served for two years and from which place he was sent to Sheridan, where he continued three years, and where he closed his active ministry in November, 1913, after 23 years of unbroken service in the pastorate.

From the beginning to the very close of his ministry he was eminently successful and was most highly esteemed both as a preacher and as a pastor. He was richly endowed both by nature and grace and every faculty and power of his full, strong life was consecrated to this one work.

He was a diligent student of the best books and his personal library is regarded as one of the best in our Conference. His mind was vigorous, alert and strong and he was careful that his mental faculties should not grow rusty by reason of disuse.

But while he read much he was no cloistered devotee of books. He loved men with all the wealth of his noble and generous nature and the charm of the library could not win him from daily touch and companionship with the people. Who that knew him can ever forget the charm of his personality as it was revealed in the social circle? His humor was irrepressible and his spirit was as sunny and as genial as spring time in her most alluring moods. His sympathies were as deep and as tender as a woman's and his charity for the erring and the unfortunate was closely akin to that of his Lord. With Christ-like love and compassion he sought out the wayward and the wandering and drew them by the cords of his love to a better life.

He loved his brethren in the ministry, and was loved by them, with singular devotion. They were his comrades and his favorite designation of them was "the boys." This revealed the soldier instinct in his heart. In common with them he was "Fighting the good fight of faith." He was loyal to the traditions and ideals of the itinerant ministry and no man ever had occasion to even suspect him of seeking for place or preferment among his brethren. If he ever felt aggrieved because of any appointment given him no man ever knew of such grievance.

For some years before the end came he had been in failing health. Toward the close of 1912 he felt that his work was done and prepared to ask for a superannuated relation, but the people of Sheridan begged him to serve them another year and he yielded to their importunities. By the close of 1913 increasing infirmities warned him that he was compelled to rest and he asked for and was granted the superannuated relation.

Anticipating his retirement from the active work he had, with the assistance of kind friends, built for himself and family a small cottage in Hot Springs, to which place he at once returned. His mind and heart were full of the little home and he gave himself enthusiastically to the work of finishing the house and beautifying the premises, but the Savior was preparing for him a better home in "The house not made with hands." Tuesday evening, July 7, 1914, he gently breathed his last, and his gentle, patient loving spirit went home to God.

He was buried from the Third Street Methodist Church in Hot Springs. People from all the walks of life came to honor his memory and drop a tear over his casket. Just before he breathed his last he had said to those about his bedside, "Write on my tombstone, Manville loves people." One of the leading daily papers of the city made these words the text of a beautifully written homily on his life, saying at the close, "The people loved Manville." How true these words are was attested not only by the large company of people who came to weep at his grave, but by countless expressions of love and sympathy which came to the sorrowing wife and son from every part of our state, and beyond the borders of the state. Many of the leading secular papers of the state vied with each other in paying tribute to his memory.

His end was triumphant. For many days he knew the messenger of death was near. He arranged every detail of his funeral; gave final counsels to his wife and son about many matters and sent messages of love and assurance to many friends. Over and over again he said to the preachers who called to see him, "Tell my brethren it's alright; the way is clear; I am ready." To one he said, "I am not skirmishing for light, but the light is here."

Brother, comrade, friend, farewell! We shall miss the cordial grasp of your hand; the subtle play of your humor and the loving sympathy of your great, warm, tender heart, but we shall cherish your memory and hope to meet you again in the land where we never grow old and where diseases and death never come."
